

# Erlend Emil Holmsen

Investor & Entrepreneur — Founder and Managing Director of Noron Capital AS

Also known as Erlend Holmsen or Emil Holmsen

## ABOUT

---

Erlend Emil Holmsen (also known as Erlend Holmsen) is a Norwegian investor and entrepreneur, founder and managing director of Noron Capital AS. With more than 20 years of experience in company building, real estate and operations, he has established and developed several businesses of significant size and complexity.

## BACKGROUND

---

He has built and recruited organisations with over 100 employees, worked operationally across Norway, the United States and Central Europe, and has a background as an officer in the Norwegian Armed Forces with international NATO experience. Holmsen has served as chairman and board member of multiple companies and holds a DNV GL certification for conducting personality assessments.

## NORON

---

Through Noron, he focuses on investments where capital is combined with structure, ownership and active operational involvement.
